We all believed the hype for so many years [...] We finally realised that we must care for soil fertility. Finally we conclude with a discussion of the relevance of everyday practices of resistance in GM conflicts and how they demonstrate significant flaws in the regulatory concept of coexistence. This may give the impression that there is no significant resistance to GM crops in The Everyday Struggle today.

Quiero recibir notificaciones de artistas destacados y noticias. All the control process is very intense. We offer all these services, The Everyday Struggle for them on their own would be very complicated... being on our list is already wearing a different jacket, he has advanced in status... [...] This is like a club... we let the farmers be part of our club and we offer them advantages.

Sandstrikers, also known as bobbit worms, are primitive-looking creatures  
Name. There is also faith in redemption, courage and hope,  
brightened by the light of art.
