And in a way, it is the moments not tinged with the supernatural, like when a man who has been driven mad by the cult throws himself out a glass window to the ground several floors below, that are given the most brutal weight. Goofs When Harrington hits and destroys the power-line pole, the charge meant to separate the upper and lower half actually explodes blowing out smoke and debris instead of simply cracking the pole. FantasyHorrorThriller. The review commented on the image of the demon, stating whenever the demon takes on a visible form, "especially the ending", it seemed more like a product of "a child's nightmare than an adult's imagination". Pretty much flawless in spite of some questionable special effects that are only highlighted on the beautiful blu ray release by Indicator. Doesithelptheoverallmovie,ordoesitkneecapTourneur'swell-tunedmood hypnosis, the suspect Hobart reveals to Holden that he was "chosen" to die by having a runic parchment passed to him, but avoided death by passing it back to the person who had given
