December 31, at pm. The elephant keeps her centered throughout some increasingly crazy events around. Jun 15, Troy Parfitt rated it it was amazing.

A former journalist whose husband happens to be New York Times executive editor. He likes to lecture a little between the lines, to show off the artifacts gathered during his travels and speculate on their significance. In her class's enthusiastic mimicry, the American 'can-do' attitude is reflected back to her as a hollowed-out parody of. There are few winners in these tales and the reader senses that those who find contentment are someho These 3 novellas offered a view of India that is The Elephanta Suite different from what I have read in the past. Uncertain, that is, until the decisive intervention of the Elephant God. InE accent sounds American but 'something unnatural subverts it, so that it is hardly human, a cartoon voice.
