The only book of his I don't have is "The Eighth Tower". It clear to me a. It was the only reference to Keel in this book that I recall, though Vallee hints in some of his other books that he has apparently kept up a correspondence with Keel. An excerpt from Our Haunted Planet. Jadoo Julian Messner, N. Using a wide array of evidence, coming from several different angles, Keel deftly explains why the winged, birdlike "ancient aliens" are bent on controlling the human race and how they do it. John Morgan marked it as to-read Apr 27, But what if there is yet another tower, a tower not of good or evil but of infinite power? There are no discussion topics on this book. Yes Votes: 2
