The spectre of war is now a reality here in the staunch core of the regime heartland, as much as it is in the rebellious and ravaged Sunni cities to the east. This book will touch your very soul and make you wonder how people can inflict so much suffering. Thereisnoonewhoshouldnotread. I read it over a period of two or three years, checking it out from the library once every six months or so and reading it in snatches. Mar 01, Kirsten rated it really liked it Shelves: femalenonfiction. WNYourBookPix.As well, he laments the violence and greed that characterize American society, and the ease with which war and militarism have seeped into the nation's psyche, serving as a refle Chris Hedges is uncompromising in his indictment of our current economic and political system in the West, which he considers morally and ethically bankrupt.
