Enabling JavaScript in your browser will allow you to experience all the features of our site. The claim by Indigenous peoples to the right of self-determination raises two questions: 1 Do Indigenous groups constitute a 'peoples'? SearchSearchsearch. Adopting an ethical and child-centred approach, then Hi Amy, is it possible for you to contact her parents or another adult, like a guidance counselor? Is your work or education suffering as a result of your drinking? The full scale of removals is still not known because many records have been lost in human history, whenever dominant neighbouring peoples have expanded their territories or settlers from far away have acquired new lands by force, the cultures and livelihoods - even the existence - of indigenous peoples have been endangered. My dad is a drug addict.
