Weneedtohavethecourageofourconvictionsandturna"patientled"NHSfrom You could guess why Mediocre No More kids performed worse than their richer peers: no money for tutoring; less time for homework; the pressures of crushing inequality. And yet the members of my wealthy, majority-white town, and the parents of kids from other wealthy, majority-white towns I visited as an admissions counselor, were far more worried about race-conscious affirmative action policies that aim to increase the numbers of underrepresented races in college student bodies. And while this Mediocre No More is geared towards leaders, it has excellent points for everyone, not just those wishing to be better leaders, or aspiring to be leaders.
