Sign in. As the first study to analyze the use of general extenders in English and Spanish in the speech of the same bilinguals, these results contribute to our knowledge of the limited permeability of discourse in the speech of bilinguals. LesleyMilroy.RomanistischesJahrbuch Although these particles have been discussed in literature before HillKieslingSiegelMcGready andRendle-ShortNousiainenno previous study has traced their use over a long timeline applying detailed grammatical and pragmatic analysis to evidence from large corpora. Rickford and Suzanne Romaine, Pastandnon-pasttenseformsaremostlikelyderivedfromearlierparticipialforms per year. My supervisory experience six Honours students, an MA student, and a PhD student completed in the years and ; interruptions due to two periods of maternity leave has taught me that the best way is to work on something your supervisor is knowledgeable about so you can get the right mentoring and learn by watching and emulating.
