He was almost the last casualty of the Civil War. By contrast, Lincoln's short address on March 4 remains an object of intense study and debate; its spare paragraphs are recognized universally in the United States, and also widely outside this country, as a profound meditation on the religious meaning of the war.

While patriotism may have led them to enlist, religion helped them deal with the war. He describes the faith and beliefs of these men with a measure of sensitivity and respect that avoids the usual skepticism with which academics frequently discuss the role of religious

faith in history. Catholic nuns working as nurses had tremendous impact upon many people, including formerly staunch Southern Protestants, because of their expertise and dedication. NewYork:FreePress,He expands that analysis to take in these urban problems as well; that we've got unregulated big-money monopolies who are not operating by biblical principles, which Bryan believes a government .
