Written "notes to self" like the ones above are powerful, but they merely scratch the surface of possibilities for beneficial visual reminders.

How to control Note To Self? - Google Assistant Help

When I told people where I planned to go on vacation last month, the general reaction was confused and curious: "But why Mexico City?."

A few years before the trip to hospital, Note to Self had begged her father to stop drinking. Pine was five, but divorce wasn't legal in Ireland until when Ms. The subject matter is incredibly personal - her parents' separation, her father's alcoholism, her miscarriage, her own relationship with her body, among others - and each essay is revelatory in some way.
