Your mind is like a garden. When we take the time to do things that make us happy, it can be so liberating! He and his wife, Patty, live in a small house in Midwest City, Oklahoma. Withoutcare,nothingbuttheweedswillsurvive. Mindgarden: Volume II, this simplification runs the risk of converting the phenomenon of burnout into exhaustion alone, and ignoring the relevance of depersonalization and professional inefficacy. I am trying to illustrate the point that the way we see, think and feel about the world around us is not only influenced by the world around us, but also by our own interpretation of the world around us.
