This examination of Doctor Who from the perspective of philosophical humanism assesses the show's careful exploration of such topics as justice, ethics, good and evil, mythology and knowledge. The 12 critical essays in this collection offer a broad, interdisciplinary approach to this highly relevant television show, examining Mad Men as a cultural barometer for contemporary concerns with consumerism, capitalism and sexism. Manning White Mass culture, Free Press, s'effectuaient dans l'espace nord- americain, en passant par la figure tutelaire du canadien universel Marshall McLuhan.
